

LIZA FLOYD

FULL STACK WEB DEVELOPER

443.717.1599 – lizafloyd@gmail.com – github.io/lizafloyd

SKILLS

HTML, CSS, Javascript, Ruby, Ruby on Rails, Sinatra, Angular, CLI, Git, Github, MEAN Stack, React.

RELEVANT EXPERIENCE

General Assembly

Sept – Dec 2016

Participant, Web Development Immersive

- Participated in a thirteen-week full-stack web development immersive course, covering the fundamentals of a variety of languages, front- and back-end frameworks, and up-and-coming methodologies.
- Produced three independent projects over the course of the program, including a travel planning app built in AngularJS with a MongoDB backend, a mental health and wellness tracker built with Ruby on Rails, and a Simon game constructed using JavaScript.
- Completed one group project, a networking event management app that uses Rails for an API, AngularJS for a front end, and LinkedIn OAuth for user authentication.

EXPERIENCE

RT's Place

Jan – Sept 2016

Bartender, Baltimore, MD

Served beer. Served it well. Flexibility in schedule allowed for dabbling in code.

Johns Hopkins University

April – Dec 2015

Development Coordinator, Dept of Orthopaedic Surgery

- Supported the Director of Development in all fundraising and administrative functions, including managing travel and scheduling.
- Managed donor and faculty events, including the departmental Biennial Reunion Reception and a formal gala screening of *Spectre*.
- Built and maintained donor relations through visits and timely correspondence.
- Drafted communication and outreach materials on behalf of the Director and the department.

The George Washington University

2010 - 2014

Administrative Student Staffer, Law School Office of Development & Alumni Relations

- Coordinated the 2014 GW Law School Reunion and ensured smooth function for hundreds of guests by maintaining ongoing communication with venue and catering personnel on behalf of the Associate Director for Alumni Relations.
- Drafted fundraising literature and other communications for members of staff.
- Supported staff with administrative functions, including planning events, answering phones, maintaining office records, and conducting alumni outreach.
- Managed other student employees in preparation for large fundraising events.

EDUCATION

General Assembly

2016

Web Development Immersive

Washington, DC

The George Washington University
